DELIGHT VINCENT

Frontend Developer

delightvincent487@gmail.com

PROFESSIONAL SUMMARY

Innovative Frontend Developer with expertise in building responsive, performant web applications using modern JavaScript frameworks and libraries. Specializing in Next.js, React, TypeScript, and state management solutions like Redux Toolkit and Zustand. Passionate about creating intuitive user interfaces with clean, maintainable code and following industry best practices.

TECHNICAL SKILLS

Frontend Frameworks & Libraries:

- Next.js
- React.js
- TypeScript
- JavaScript (ES6+)

State Management:

- Redux Toolkit
- Zustand

Styling:

- Tailwind CSS
- Shadcn UI
- CSS/SCSS

Tools & Other:

- Git & GitHub
- Responsive Design

- Web Performance Optimization
- Jest/React Testing Library
- Webpack/Vite
- REST API Integration
- Agile/Scrum Methodology

PROFESSIONAL EXPERIENCE

FRONTEND DEVELOPER INTERN | *cinfores limited*| Rivers state Nigeria | 07/2024 - 01/2025

- Engineered responsive web applications using Next.js, React, and TypeScript, improving load times by 40%
- Implemented complex state management solutions using Redux Toolkit and Zustand, ensuring seamless user experiences
- Built and maintained reusable component libraries with Tailwind CSS and Shadcn UI, accelerating development cycles
- Collaborated with UX/UI designers to translate wireframes into pixel-perfect interfaces
- Optimized application performance through code splitting, lazy loading, and effective caching strategies
- Integrated RESTful APIs and managed asynchronous data flows with React Query

PROJECTS

Mentorship platform

Next.js, TypeScript, Redux Toolkit, Tailwind CSS, Shadcn UI

- Built a fully responsive Mentorship platform platform with server-side rendering
- Implemented cart functionality and checkout process using Redux Toolkit
- Designed custom UI components with Tailwind CSS and Shadcn UI
- Integrated payment gateway and user authentication

Referral Management Application

React.js, TypeScript, Zustand, Tailwind CSS

- Developed a drag-and-drop Referral management system with real-time updates
- Utilized Zustand for lightweight state management
- Implemented theme switching and accessibility features
- Built custom hooks for data fetching and form validation with zod

EDUCATION

Bachelor of Science in Computer Science (Undergraduate)

University of port harcourt | Rivers state Nigeria | 2025

TRAINING

- Reactjs intensive traning
- TypeScript Deep Dive Course
- 6 months nextjs training

ADDITIONAL INFORMATION

Languages: English (Fluent), [Other Languages]

Interests: Web Accessibility, Open Source Contribution, UI/UX Design, Frontend Architecture
